Sorry I missed your email about missing documents. I was in Albuquerque last week and my computer would not connecting to our system. I am trudging through hundreds of emails.

My boss and attorney need an update from the Corps, again - before our internal EPA meeting on the 21rst. Is there a good time to call or would you prefer sending me an email? I do need clarification on any additional input or cooperation that you are expecting from the Region. Have you engaged your own attorneys?

Toney
